

The Kirbyville CISD
SCHOOL HEALTH ADVISORY COMMITTEE
Is seeking new members!

The School Health Advisory Committee (SHAC) provides a forum for school district staff, community organizations, community members, parents, and youth to collaborate on efforts to keep students healthy and meet our wellness goals. Utilizing the districts Wellness policy as a guide, the committee works on sharing information and resources that bring and promote high-quality wellness education, initiatives, programs and services to the students and staff of the district resulting in improved health of all those participating.

The SHAC meets at least 4 times during the school year.

If you are interested in serving on the SHAC, please complete the application below and mail or fax it to:
