AGREEMENT FOR ACCEPTABLE USE OF THE ELECTRONIC COMMUNICATIONS SYSTEM BY A NONSCHOOL USER

You are being given access to the District's technology resources, meaning electronic communication systems and electronic equipment. It is important that you read the applicable District policies, administrative regulations, and agreement form. [See policies BBI and CQ] Please contact the Director of Technology at (409) 423-7522 if you have questions or need help understanding this material.

Inappropriate use of the District's technology resources may result in suspension or revocation of the privilege of using these resources, as well as other legal action, in accordance with applicable laws.

As a user of the District's technology resources, you will be able to access:

- An unlimited number of databases, libraries, and resources;
- The Internet and other electronic information systems/networks, which can be used to communicate with schools, colleges, organizations, and individuals around the world; and
- Shared electronic equipment, which may have stored temporary Internet and electronic files of other users.

Please note that the Internet is a network of many types of communication and information networks. It is possible that you may run across areas of adult content and some material you might find objectionable. While the District will use filtering technology to restrict access to such material, it is not possible to absolutely prevent such access. It will be your responsibility to follow the rules for appropriate use.

RULES FOR APPROPRIATE USE

- You will be held responsible at all times for the proper use of District technology resources, and the District may suspend or revoke your access if you violate the rules.
- If you are assigned an individual account, you are responsible for not sharing the password for that account with others.

INAPPROPRIATE USES

- Using the resources for any illegal purpose.
- Damaging electronic communication systems or electronic equipment, including knowingly or intentionally introducing a virus to a device or network, or not taking proper security steps to prevent a device or network from becoming vulnerable.
- Disabling or attempting to disable any Internet filtering device. Requests to disable a filtering device should be made to the Superintendent.
- Encrypting communications to avoid security review.
- Using someone's account without permission.
- Pretending to be someone else when posting, transmitting, or receiving messages.
- Attempting to read, delete, copy, modify, or interfere with another user's posting, transmittal, or receipt of electronic media.
- Using resources to engage in conduct that harasses or bullies others.
- Posting, transmitting, or accessing materials that are abusive, obscene, sexually oriented, threatening, harassing, damaging to another's reputation, or illegal.
- Using inappropriate language such as swear words, vulgarity, ethnic or racial slurs, and any other inflammatory language.

- Posting or transmitting pictures of students without obtaining prior permission from all individuals depicted or from parents of depicted students who are under the age of 18.
- Violating others' intellectual property rights, including downloading or using copyrighted information without permission from the copyright holder.
- Wasting school resources through improper use of the District's technology resources, including sending spam.
- Gaining unauthorized access to restricted information or resources.
- Using the District electronic resources for financial gain, or commercial activity such as product advertisement.

CONSEQUENCES FOR INAPPROPRIATE USE

- Suspension of access to the District's technology resources;
- Revocation of the account; or
- Other legal action, in accordance with applicable laws.

REPORTING VIOLATIONS

- You must immediately report any known violation of the District's applicable policies, Internet safety plan, or acceptable use guidelines to the technology coordinator.
- You must report requests for personally identifying information, as well as any content or communication that is abusive, obscene, pornographic, sexually oriented, threatening, harassing, damaging to another's reputation, or illegal to the technology coordinator.

I understand that my computer use is not private and that the Kirbyville Consolidated Independent School District will monitor my activity on the computer system.

I have read the District's electronic communications system policy and administrative regulations and agree to abide by their provisions. In consideration for the privilege of using the District's electronic communications system and in consideration for having access to the public networks, I hereby release the District, its operators, and any institutions with which they are affiliated from any and all claims and damages of any nature arising from my use of, or inability to use, the system, including, without limitation, the type of damages identified in the District's policy and administrative regulations.

Please initial the following two statements and complete the form below:
