

## KCISD Technology Department Parent/Student MiFi Agreement Form

Student Checking Out Jetpack: \_\_\_\_\_ Grade: \_\_\_\_\_

Other Students in the Household: \_\_\_\_\_

Kirbyville CISD is issuing a Verizon MiFi to student households for their educational use at home. With acceptance of the MiFi, both KCISD students and their parents take on certain responsibilities. Acceptance of and adherence to these responsibilities will result in a rich technologically-enhanced learning environment for all involved.

It is our belief that if reasonable precautions and care are taken in the use of the MiFi, it should not experience physical damage. Each student and parent is asked to read this form carefully. The parent should initial next to each statement that follows, and sign below.
